Library Orientation Program for First-Year Nursing Students

Date: Wednesday, 10 September 2024

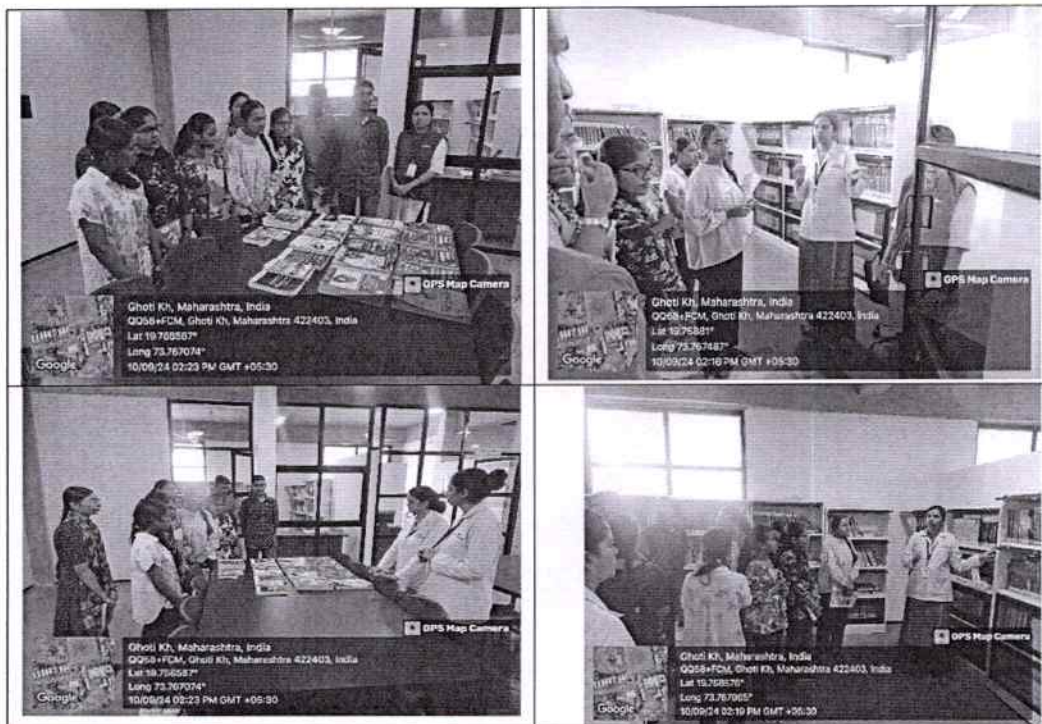

The library orientation program for first-year nursing students was successfully conducted. The program aimed to introduce students to the library's resources, services, and facilities.

Agenda

1. Welcome and introduction to the library
2. Library tour
3. Overview of library resources (books, journals, databases)
4. Library services (borrowing, photocopying)
5. Online resources and digital libraries

The students actively participated in the program and provided positive feedback. We look forward to supporting their academic endeavors.

REPORT ON BOOK EXHIBITION

Date: 14th November to 16th November 2024

Day: Thursday to Saturday

Time: 11 am to 4.00 pm

Venue: SMBT ION Multipurpose Hall

Introduction

The SMBT ION Library Department, in collaboration with Jaypee Publication, organized a two day book exhibition from 14th November to 16th November 2024. The event aimed to provide students and faculty with access to a diverse range of books and resources.

Brief Report

The exhibition was inaugurated by the Principal, who warmly welcomed the book sellers and emphasized the importance of reading in academic and personal development. The Principal's introduction set the tone for an enriching literary experience. Following the inauguration, a Saraswati Pooja was conducted to seek the blessings of the goddess of Knowledge. This traditional ritual added a spiritual dimension to the event. Reinforcing the significance of education and learning.

The teaching faculty actively participated in the exhibition by perusing the available books. They identified and suggested valuable additions to the library's collection, ensuring that the selections aligned with the academic goals and interests of the students.

After the initial review by teachers, each year's students were given dedicated time to explore the exhibition. This facilitated direct interaction between students and booksellers, allowing them to inquire about specific titles, genres, and academic resources.

Students and teachers engaged in meaningful discussions with the book sellers, providing feedback on the exhibition books. This interactive process helped tailor the collection to meet the unique needs of the academic community.

The book exhibition proved to be a success, fostering a culture of reading and intellectual exploration within the SMBT ION community. The collaboration with Jaypee Publication ensured a diverse array of quality literature for students and faculty to explore.

In conclusion, the book exhibition at SMBT ION's Library Department served as a platform for academic and literary enrichment. The active participation of both faculty and students, coupled with the collaboration with Jaypee Publication, made the event a valuable contribution to academic atmosphere of the institution.

Total 245 of student's visited the exhibition

National Librarian's Day Celebration

Date: August 12th

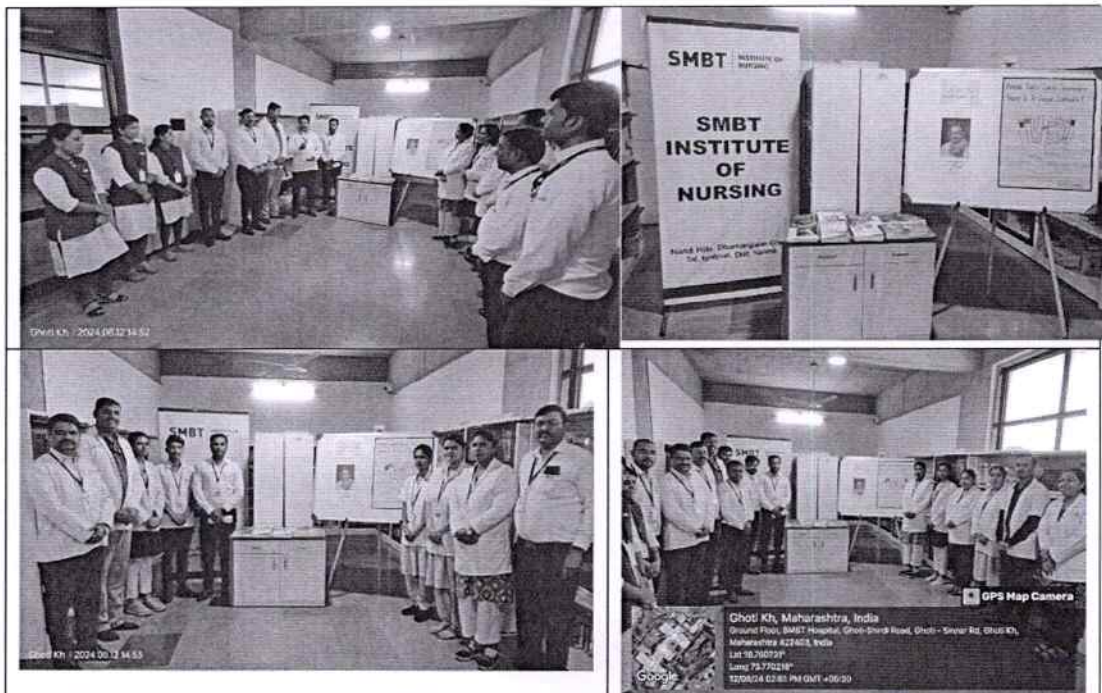

Our college celebrated National Librarian's Day on August 12th to honor the birth anniversary of Dr. S.R. Ranganathan, the "Father of Library Science" in India. The program was inaugurated by our Vice-Principal, Dr. Melisa Fernadies, who emphasized the importance of libraries and librarians in promoting knowledge and literacy.

Objective

The objective of the celebration was to:

- Pay tribute to Dr. S.R. Ranganathan's contributions to library science
- Promote awareness about the role of libraries in education and research
- Encourage students and faculty to utilize library resources effectively
